A Preliminary Report contains three important elements:

1. Dated formal report;
2. The specific description of the title on a particular parcel of land;
3. The conditions under which First American is willing to insure the property by the later issuance of a policy of title insurance.

Preliminary reports are “furnished in connection with an application for title insurance and are offers to issue a title policy subject to stated exceptions … and such other matters as may be incorporated by reference.” Ins. C §12340.11

The report is an offer to issue a title policy. A preliminary report is not a representation as to the condition of title to real property. It is solely a statement of the terms and conditions under which the insurer is willing to issue its title policy, if an offer is accepted.

The preliminary report may be delivered electronically via the First American Title Eagle Pro 2 (EP2) system. See page 30 for details. The preliminary report consists of the following:

- PR Checklist
- Cover page
- Exclusions from coverage
- Preprinted exceptions
- Typewritten exceptions – property specific

Included in the Preliminary Report is information which identifies the form of policy which the title company is offering to issue. The Preliminary Report details the various exceptions and exclusions which will be reflected in the policy. The Preliminary Report also provides the legal description for the property that is the subject of the report as well as the record owner of the Subject Property.

The Preliminary Report explained on the pages that follow is used by all members of the California Land Title Association.

In response to the above referenced application for a policy of title insurance, this company hereby reports that it is prepared to issue, or cause to be issued, as of the date hereof, a Policy or Policies of Title Insurance describing the land and the estate or interest therein hereinafter set forth, insuring against loss which may be sustained by reason of any defect, lien or encumbrance not shown or referred to as an Exception below or not excluded from coverage pursuant to the printed Schedules, Conditions and Stipulations of said Policy forms.

The printed Exceptions and Exclusions from the coverage and Limitations on Covered Risks of said policy or policies are set forth in Exhibit A attached. The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than that set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties. Limitations on Covered Risks applicable to the CLTA and ALTA Homeowner’s Policies of Title Insurance which establish a Deductible Amount and a Maximum Dollar Limit of Liability for certain coverages are also set forth in Exhibit A. Copies of the policy forms should be read. They are available from the office which issued this report.

Please read the exceptions shown or referred to below and the exceptions and exclusions set forth in Exhibit A of this report carefully. The exceptions and exclusions are meant to provide you with notice of matters which are not covered under the terms of the title insurance policy and should be carefully considered.

It is important to note that this preliminary report is not a written representation as to the condition of title and may not list all liens, defects, and encumbrances affecting title to the land.

This report (and any supplements or amendments hereto) is issued solely for the purpose of facilitating the issuance of a policy of title insurance and no liability is assumed hereby. If it is desired that liability be assumed prior to the issuance of a policy of title insurance, a Binder or Commitment should be requested.

The Statement of Information, also known as the SI provides the title company with information needed to distinguish the buyers and sellers of real property from others with similar names. A properly completed SI allows the title company to differentiate between parties when searching public records for judgements, liens, court decrees, bankruptcies or other matters. See page 28 & 29 for a sample of a blank Statement of Information.

Taxes: This is a statement regarding the amount of paid taxes for the previous fiscal year or taxable period.

Lender’s Information: On transactions involving a new loan by an institutional lender such as a bank, savings and loan, or mortgage company, a separate ALTA Lender’s Policy is required.

This information supplies the lender with assurances regarding the availability of a special lender’s endorsement and also gives the address and a brief description of the improvements located on the subject property.

It also satisfies the lender’s requirement that they be told of any sales involving the subject property within the last two years which will provide information on how recently the current owner may have acquired title.

This statute allows for funds deposited by wire transfer to be disbursed the same day as deposit.
